Re; Grant of lands to Sri Channakesavaswami temple at Belur.

Z

A

The question of the grant of lands to the Belur temple has been under consideration since 1923.

In para 2 of G.O.No.1446-7/ Muz.25-23-11 dated 16-4-24, the Muzrai Commissioner was requested to submit proposals in the matter of the grant to the temple of about 50 acres of wet land (subject to maximum market value of Rs 5,000/-) under the new channels in a suitable locality in the Mysore District. The Muzrai Commissioner accordingly recommended on 26-9-1924 the grant to the temple, free of upset price, of two blocks of land measuring on the whole 52 acres 14 guntas under the Mandagere channel, in Somnathapur and Belur villages in the Krishnarajpet Taluk. But as the Dharmadarsis of the temple were not in favour of arranging for the cultivation of the lands themselves and wanted the local officers in the Mysore District to arrange for the same, a temporary additional cash grant of Rs 200/-, per annum, was sanctioned to the temple for a period of 3 years from 1-7-1925, pending the selection and grant of suitable lands in the Belur Taluk and proposals were called for, for the grant of suitable land in the Belur Taluk itself in lieu of the cash grant then sanctioned (Vide para of G.O.No.1837-8/Muz.25-23-18 dated 19-6-25).

B

The Muzrai Commissioner reported ~~requested~~ that no lands in the Belur Taluk were available for being granted to the temple and recommended the grant of 50 acres of land under the Bhadra Anicut channels, which was sanct-

C.

Later, the question was brought up for discussion at the session of the Legislative Council held in June 1931 and Government promised to expedite the disposal of the question.

D

In the letter dated 30-10-1931, the Muzrai Commissioner reported that the Dharmadarsis of the temple were not able to select suitable lands under the Shaura circle and proposed, therefore, the grant of 50 acres of land under the Irwin Canal. As it was ascertained from the Secretary, P.W.D. Works, that no free grant of lands under the Irwin Canal was permissible, the Muzrai Commissioner was informed that the Deputy Commissioner, Hassan District, might be requested to select other suitable lands in the District in consultation with the Dharmadarsis.

F

Para 5 of notes.

G.

The Muzrai Commissioner has now forwarded an adinterim report received from the Deputy Commissioner, Hassan District, in the matter of the selection of the lands. It is seen from this report that the Dharmadarsis of the temple at the meeting held on 6-6-1932 selected the following lands -

P.W.D.

	extent.
S.No.15 of Ramanathapur village.	10 acres
S.Nos.40, 41, 44 & 45 of Mudlahippe (Holenarasipur Taluk)	25 acres (to be irrigated by the proposed extension of Sri Rangadevaru south channel,
Out of S.Nos.15, 16 of Bantratalatty, Holenarasipur Taluk, and S.No.12 of Mallasamudra, (Holenarasipur Taluk)	15 acres.

Later, the Dharmadarsis have passed a resolution on 30-6-1932 that S.Nos.15, 20 & 232, Tank bed at Aragur in Channarayapatna Taluk, aggregating an extent of 46 acres

Serial No

9 _untas may be selected in lieu of the lan[illegible] at Kudalahipe and other villages in Nelamangala Taluk, referred to above, as there is no early probability of the proposed extension of the [illegible] Ramadevary South channel being put on hand.

The Deputy Commissioner has also addressed the Executive Engineer enquiring whether the proposed extension of the south channel could be taken up early and if so what lands would come out thereby and what the extent of Adegur Tank bed is, and is awaiting a reply to it. The Deputy Commissioner has also asked the Amildars concerned to inspect the lands and report on their market value.

The following draft reply to the question on the subject tabled by Mr. Belur Srinivasa Rao at the next meeting of the Legislative Council, is submitted for consideration.

Will the Government be pleased to state - Draft reply.

(a) whether definite proposals have been made by Dharmadarsis of Belur temple for grant of lands in Channarayapatna Taluk. ✓ Yes [illegible] 30-6-1932.

two paragraphs of Huzur Secy's letter D 29.8.23 Flag Z). In para 2 of F.D. D 16.4.24 the M.E. was requested to place himself in communication with the D.C. Mysore & submit proposals before the end of May 24 in the matter of grant of 50 acres of land to the temple (subject to maximum market value of Rs 5000) under the new channels in a suitable locality in the Mysore Dt (Flag V) Lands were selected in Somanathpur & Belur Villages of the H. Pet Taluk (measuring 52-14 ac g) but the question of cultivation of the lands & the transporting of the produce to Belur having arisen the matter was considered in Council and it was resolved that pending the selection and grant of suitable lands in the Belur Taluk itself a temporary cash grant of Rs 200/- p. a. for 3 years funds may be made to the temple. Vide D 7 IV by the I Member (Flag W). On this the F.D. of June 1925 was issued. Read also the letter to the last sentence of para 2 in which it is stated that the M.E. reported to first that the Dharmadarsi wanted only lands & not additional cash grant (Flag B). Correspondence went on for ~~about~~ Some three years ~~more~~ and in Sept 28 first ordered the grant of lands under the Bhadra Ancut channels as recommended by the M.E. (Flag C). now recommended the grant of a cash (Rs.) grant of Rs 250/- permanently in the case explained by the D.C. that the lands selected by the Shanmadasis are not such as can be granted.

46. The Dy Comm's report indicates that suitable lands in the District are not available. It may perhaps be possible to find suitable lands in other Districts and if cultivation could be arranged for, it would be possible to get the produce transported at some cost; if feasible, the produce of the lands could be at least disposed of. Lands could also be leased out for cash rents if in outside places. If possible In view of the facts of the case and the consideration that the desire of H.H. was

Final Note by the Second Member of Council.

Subject:—

Grant of land to the temple of Sri Channakesavaswami at Belur.

1 Under His Highness' orders dated the 1st June 1925, a temporary additional cash grant of Rs.200 per annum was sanctioned in June 1925 to the Sri Channakesavaswami Temple at Belur for a period of three years from the 1st July 1925 pending the selection and grant of suitable lands in the Belur Taluk.

2 As it was reported that suitable lands in the Belur Taluk were not available, lands elsewhere were thought of, but for some reason or other the question fell through. The Muzrai Commissioner thereupon wrote on the 29th August 1933 that as suitable lands were not available for grant to the temple, the temporary additional cash grant of Rs.200 per annum sanctioned to the temple may be made permanent.

3 When the papers came up before me, I observed as follows in my Minute dated the 20th September 1933:-

4 "After many years of correspondence the Muzrai Commissioner has now stated his inability to find suitable lands for the temple to carry out the promise made long ago. His proposal to confirm the cash grant cannot be approved until it is known definitely that lands cannot be had elsewhere. I had a talk with the Deputy Commissioner, Mysore who said that certain lands given to the Sankaralaya were available in the T.-Narasipur Taluk and also in Hunsur Taluk. The file may be sent unofficially to the Muzrai Commissioner for perusal of this note for making further enquiries in the matter. It is obviously desirable that this question should be decided without further delay."

5 The Muzrai Commissioner who was accordingly written to in the matter recommended the grant of fifty acres of land out of gomal Survey No.588 of Harohalli village, Mysore Taluk, to the said temple.

6 The recommendation of the Muzrai Commissioner was accepted and with the concurrence of the Dewan and the First Member of Council, orders were issued on the 18th December 1933 sanctioning the grant of land proposed by the Muzrai Commissioner to the Sri Channakesavaswami Temple at Belur, subject to the payment of the usual assessment, but without the payment of any upset price or contribution. The Muzrai Commissioner has also been advised that the temporary additional cash grant, sanctioned to the temple referred to above, should cease with effect from the date on which the said land is handed over to the temple authorities.

7) I submit the papers for His Highness' gracious perusal.

SIR,

Referring to correspondence ending with this office Memo No.C.64/31-32 dated 10th August 1931 regarding grant of lands to the Sri Chennakesavaswami Temple at Belur, I have the honour to forward herewith copy of letter No.1813-26 dated 30th September 1931 from the Deputy Commissioner, Hassan District, giving cover to the proceedings of a Meeting of the Dharmadarsis held on 21st September 1931 and to state as follows:---

2. The Dharmadarsis have resolved that as they could not find lands that would fetch an adequate return under the Bhadra Channel, Government may be again approached to grant 50 acres of land under the Irwin Channels.

3. In para 2 of their order No.1446-7/Muz.25-26-1 dated 16th April 1924, Government directed that proposals in the matter of the grant to the Temple of about 50 acres of land (subject to the maximum market value of Rs.5,000/-) under the new channels in a suitable locality in the Mysore District should be selected in communication with the Deputy Commissioner. Accordingly lands in Somanathapur and Beltur villages, Krishnarajapet Taluk, were selected and reported to Government in this office letter dated 26th September 1924. But in para 3 of their order No.1807-8/Muz.25-26-10 dated 19th June 1925 Government directed that pending the selection & grant of suitable lands in the Belur Taluk a temporary allowance of Rs.[illegible] per annum be paid to the Temple. The difficulty for securing suitable lands in the Belur Taluk having been [illegible]

recommendation made to grant lands under the Bhadra anicut, Government were pleased to order in their proceedings No.535-6/Muz.114-20 dated 5th September 1928 that 50 acres of land under the Bhadra anicut channels may be granted to the Temple, subject to the payment of the usual assessment but without payment of any upset price.

4. As suitable lands under the Bhadra anicut channels could not be selected in spite of the several attempts made by the Dharmadarsis, the Deputy Commissioner recommends that 50 acres of land in the Mysore District under the Irwin Canal may be granted to the Temple. I request therefore that in modification of the orders conveyed in Government Order dated 5th September 1928, the grant of 50 acres of land under the Irwin Canal as originally intended by Government may be sanctioned instead of under the Bhadra anicut channels. On receipt of orders, I shall place myself in communication with the Deputy Commissioner and make a selection of lands in a suitable locality, subject to the conditions stipulated by Government.

5. The entire file of vernacular papers is sent for reference and kind return.

I have the honour to be,

Your most obedient servant,

Muzrai Commissioner.

Letter No.1813-26 dated 30-9-31 from the Deputy Commissioner Hassan District, to the Muzrai Commissioner in Mysore.

Subject:- Re: the grant of 50 acres of wet land under the Bhadra Anicut channels to the Sri Channakeshavaswamy temple at Belur.

With reference to your Memo Nos.585/27-28 dated 1st November 1930 and 17th January 1931 on the above subject, I have the honor to state that in response to instructions issued from me to select the best available land to the temple, the Dharmadarsis of the Sri Channakeshavaswamy temple have resolved in their meeting held by the Sub Division Officer as President on 21st September 1931 that they could not find lands fit for cultivation under the Bhadra Channel and that as the original proposal was for the grant of lands under the Irwin Canal, a recommendation may be made for the grant to the temple of 50 acres of land in the Mysore District under the Irwin Canal.

Under these circumstances, I request that you may be so good as to move the Government for the grant to the temple of 50 acres of land in the Mysore District under the Irwin Canal instead of under the Bhadra Channel as originally sanctioned by Government in their order No.535-5/Muz.114-25-6 dated 3-9-28.

With reference to your letter No.585/26-27 dated 30th October 1931 in the matter of the grant of 50 acres of land to the Sri Channa Keshava Swami temple at Belur, I am directed to state that as no free grant oflands under the Irwin Canal is permissible (vide para 5 of Government Order No.230-47/K.J.C.622-39 dated 6th August 1931) some suitable lands may be selected in the District by the Deputy Commissioner, Hassan, in consultation with the Dharmadarsis. The matter ~~ha~~ has been pending long and its settlement without further delay is necessary. Some other land should be selected and given to the temple and a report submitted to Government in a month.

Re: the grant of 50 acres of land to Sri Cherrakeshavaswami temple at Belur.

—

With reference to Memo No.585/27-28 dated 20-2-32 on the above subject, requesting to send up a final report, I have the honor to state as follows:-

As the South Channel of the Sri Ramadevaru Anicut of the river Hemavathi will be extended, a list of unoccupied Government lands likely to become wet was called for from the Assistant Engineer of P.W.D., Holenarasipur and the same was received from him on 18-2-32. The opinion of the temple Dharmadarsis in the matter of granting these lands for the temple has been called for and their reply is awaited. On the receipt of a resolution of the Dharmadarsis the question of granting the land will be decided and a final report will be sent.

The details of unoccupied lands ~~will~~ likely to become wet under the proposed extension of the North Channel are as particularised in the margin.

3. Bantratalalu (Holenarsipur Tk.)	S.Nos. 15,16 (about 12 acres.)
4. Pallasamudra (Holenarsipur Tk.)	S.No.12 (about 30 acres.)

They proposed to have S.No. 15 of Ramanathapura village, which is a tank in the East of which the channel runs. blindness Srikantiah, has been granted 5 acres of it by Government has also applied for four acres of this land land, and it is under correspondence.

In addition to the above land, they proposed to have S.Nos.40,41, and 55 of Pudlahippe village, about 25 acres of which, according to them, will be irrigated by the proposed extension of the Sri Rameshwar South Channel, and the balance, out of the lands selected at Bantratalalu and Pallasamudra. If the proposed extension of the channel is not likely to materialise early, they proposed to have 40 acres out of the lands at Bantratalalu and Pallasamudra, besides the ten acres out of S.No.15 of Ramanathapur village.

2. Later, they inspected the following lands at Adagur in the Channarayapatna Taluk, and have passed a resolution on 30th June 1953, to the effect that those may be selected in lieu of lands at Pudlahippe and other villages in the Holenarasipur Taluk, as there is no early possibility of the proposed extension of the Sri Rameshwara South Channel being put on hand.

Subject Grant of lands to the Sri Channakesavaswamy temple, Belur

Dear Sir,

I am directed to observe that the above question has been pending from 1924 and requires to be settled without further delay. The Dharmadarsies of the temple should be clearly given to understand that if they do not select lands within a fixed time, which Govt can grant, the selection will be made by Govt and the case closed. If they do not actively help in settling this matter say, in a month, you may yourself arrange to allot some available lands and dispose of this very long pending matter.

Re: grant of 50 acres of wet lands to the Sri Chennakeshavaswami temple at Belur.

In continuation of my letter of even number dated 11-5-33 on the above ject, I have the honor to state that I discussed the question of the land the temple with the Dharmadarsis at Belur. They were of opinion that instead any land grant it would be better if the present cash grant were confirmed manently. But I suggested to them that some lands under the Kudlur channel their own taluk might be selected, if available. They said that they would pect them if the particulars of the Survey Numbers were furnished to them give their opinion. The Sub Division Officer has been asked to furnish necessary particulars at once and send their opinion to this office before 7-33.

2. In the circumstances explained by the Deputy Commissioner, I beg to recommend that the temple may be granted an additional permanent cash grant of Rs. 250/- from State Funds.

I have the honor to be,

Letter No.1813-26 dated 15-8-33 from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore.

Re: grant of 50 acres of wet lands to Sri Chennakesavaswami temple at Belur.

In continuation of my letter of even No. dated 22nd June 1933 on the above subject I have the honor to state as follows.-

2. In their order No.535-5/Muz.114-25-6 dated 3rd/5th September 1925 Government sanctioned the grant of 50 acres of land under the Thadra Anicut Channels subject to the payment of the usual assessment but without payment of any upset price to the Sri Channakesavaswami temple. The grant was also subject to the maximum market value of Rs 5000/- fixed in G.O. No.1440-7/Muz.25-23-11 dated 16th April 1924. As no suitable lands were available under the Thadra Anicut Channels a recommendation was made to the effect that 50 acres of wet lands might be sanctioned under the Irwin Canal. Government in their letter No.869/Muz.147-31-2 dated 22nd December 1931 however directed that free grants of lands under the Irwin Canal were not permissible under the Rules and that therefore some available land in this district might be selected in consultation with the Dharmadarsis.

3. Accordingly proposals were called for from the Sub Divisional Officers and the Dharmadarsis. The Dharmadarsis proposed the selection of the following lands:-

(1) S.No.15 of Ramanathapur - (available extent about 10 acres)

(2) S.Nos.40, 41, 44 and 55 of Mudlahippe, Holenarasipur Taluk (available extent about 25 acres).

(3) S.Nos.15 and 16 of Pantratalalu, Holenarasipur Taluk (about 12 acres)

(4) S.No.12 of Mallasamudra, Holenarasipur Taluk (about 30 acres).

(5) Adagur tank bed, Chennarayapatna Taluk (about ~~30~~ 46 acres).

4. S.No.15 of Ramanathapur is a tankbed and it can be thrown open for cultivation only after the Ramanathapur Channel which at present runs through it is diverted. As this diversion has to be effected at a cost of Rs 7000/- the lands proposed are unsuitable.

5. The proposed lands in the Mudlahippe, Pantratalalu and Mallasamudra villages are expected to be brought under wet cultivation after the Sri Ramadevar South Channel is extended. When this scheme will materialise is quite uncertain. Besides the wet lands in this area are very valuable ranging in price from Rs 150/- to Rs 500/- per acre.

6. The alternative proposals of the Dharmadarsis re. the grant of Adagur tankbed is also not feasible since the release of the tankbed for cultivation

can be effected only after the channel running through it at present is diverted at a cost of Rs 28,000/- as estimated by the Executive Engineer. Moreover the lands would be then worth not less than Rs 500/- per an acre.

7. When I discussed this question with the Dharmadarsis I suggested to them the possibility of selecting some lands under the Kudlur Channel in their own taluk if any were available. Two of the Dharmadarsis were inspected the available lands and reported that about twenty acres might be converted to wet cultivation but at a cost of Rs 4000/- in all. Moreover, the surrounding villages are not populous to make agricultural operations successful.

8. In these circumstances I think that the idea of a land grant to the temple has to be given up as no suitable lands are available. The Dharmadarsis have resolved at their meeting held on 2.th July 33 that in lieu of land grant an annual cash grant of Rs 500/- may be sanctioned. The Sub Division Officer suggests that the present cash grant of Rs 200/- sanctioned in lieu of the inam lands may be continued. I concur with his opinion and recommend that this cash grant may be made permanent. I solicit early orders in the matter.
